Appropriate Dancewear

- All dancers should come prepared for class. Wearing the correct attire is essential to prevent injuries.
- Girls: any style, any color leotard and tights should be worn for all classes with the exception of Hip Hop* and proper dance shoes. This may be substituted with a tight fitted tank top and dance shorts.
- Boys: Tight fitted t-shirts or tank top along with shorts above the knee or dance pants and proper dance shoes.
- Ensure that all hair is neatly secured away from the face for all classes. For those with extra-long hair, a bun may be necessary.
- Each student should have a dance bag to keep their dance shoes, hair ties, etc. in.
- Please make sure your dance shoes are labeled with name or initials to prevent lost articles. Please check LOST & FOUND weekly.
- You may bring a water bottle to class. Please make sure it is only water in a sealed, leak free container.
- CLEAN SNEAKERS mean shoes that are only worn inside the studio. We don't want to track rocks, water, mud, snow or salt onto the dance floor.
- *If you already have shoes that fit but do not match the dress code, please feel free to use them. These shoe colors will be mandatory for pictures in May and the recital in June.
